

ONLINE TRAVEL AGENTS.

Online travel agents face a range of payment pain-points

These can be overcome by an innovative merchant of record payment solution

FOR EXAMPLE

An Online Travel Agent transacting \$100M will pay direct costs such as transaction fees and FX charges and indirect costs such as reconciliation, fraud risks and fees.

SAVES
\$1,394,885*

Made up of:

- FX SAVINGS
- EFFICIENCY SAVINGS
- REBATE

#VANS terms and conditions apply. *The example is based on an Online Travel Agent spending 60% on airlines and 40% on international hotel payments. In Australia, eNett International (Singapore) Pte. Ltd. ARBN 161 362 661 holds an AFSL (number 441376) and is not authorised to provide financial product advice other than general advice in relation to our products.
